

## ANTI-BULLYING POLICY

### Preamble

This policy is based on DfE guidance [Preventing and Tackling Bullying](#) July 2017 and supporting documents. It also considers the DfE statutory guidance [Keeping Children Safe in Education 2024](#) and Childnet's [Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#).

### 1 Purpose & Aim

- 1.1 This policy outlines what Lockwood Primary School will do to prevent and tackle all forms of bullying. The policy has been adopted with the involvement of the whole school community. Lockwood Primary School is committed to developing an anti-bullying culture where the bullying of anyone - adults, children or young people - is not tolerated in any form.

### 2 Links with other school policies & practices

- 2.1 This policy links with several school policies, practices and action plans including:
- Behaviour policy
  - Complaints policy
  - Child Protection policy
  - Acceptable Use Policies (AUP)
  - Curriculum policies, including the PSHE, RSE and computing policies

### 3 Links to Legislation

- 3.1 There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include, but are not limited to:
- The Education and Inspection Act 2006, 2011
  - The Equality Act 2010
  - The Children Act 1989
  - Protection from Harassment Act 1997
  - The Malicious Communications Act 1988
  - Public Order Act 1986.

### 4 Responsibilities

#### 4.1 Head Teacher

The headteacher will communicate this policy to the school community and ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.

#### 4.2 Governing Body

Governors will take a lead role in monitoring and reviewing this policy, including the appointment of a named anti-bullying governor.

#### 4.3 All Staff

All staff, including governors, senior leadership, teaching and non-teaching staff will support, uphold and implement this policy accordingly.

#### 4.4 Parents and Carers

Parents and carers will support their children and work in partnership with the school.

#### **4.5 Pupils**

Pupils will abide by the policy and contribute to its development, implementation and review through pupil voice.

### **5 Definition of Bullying**

#### **5.1** Bullying can be defined as:

*'behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally'.*

DfE (Preventing and Tackling Bullying)

#### **5.2** Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.

#### **5.3** The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically, this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.

#### **5.4** Lockwood Primary School recognise that bullying can be emotionally abusive and can cause severe and adverse effects on children's emotional development.

#### **5.5** Bullying is recognised by Lockwood Primary School as being a form of child-on-child abuse. This should never be tolerated or passed off as "banter", "just having a laugh" or "part of growing up".

#### **5.6** We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.

#### **5.7** All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

### **6 Forms and Types of Bullying Covered by this Policy**

#### **6.1** Bullying can happen to anyone. This policy covers all types and forms of bullying including but not limited to:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions
- Physical bullying

- Sexualised bullying/harassment
- Bullying via technology, known as online bullying or cyberbullying

  - Bullying related to race, religion, faith and belief and for those without faith
  - Bullying related to ethnicity, nationality or culture
  - Bullying related to Special Educational Needs or Disability (SEND)
  - Bullying related to sexual orientation (homophobic/biphobic bullying)
  - Gender based bullying, including transphobic bullying
  - Bullying against teenage parents (pregnancy and maternity under the Equality Act).

### **7 School Ethos**

#### **7.1** Lockwood Primary School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying

our school can help to create a safe and supportive environment, where pupils are able to learn and fulfil their potential.

## **7.2 Our Community:**

- Understands the importance of challenging inappropriate behaviours from any member of our school.
- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND, children with a social worker or those with a medical issue - being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Addresses issues around relationships, bullying and British values for all pupils through its curriculum
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the antibullying policy.
- Will ensure that anti-bullying remains a prominent and high-profile feature of our school.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.

- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when
- appropriate.

## **8 Responding to Bullying Concerns**

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide immediate and appropriate support for the person being bullied – making sure they are not at risk of harm and will involve them in any decision-making, as appropriate.
- The Head Teacher and Designated Safeguarding Lead (DSL) - or a Deputy Safeguarding Lead (DDSL) - will be informed of all bullying concerns, especially where there may be additional safeguarding issues.
- The Head Teacher, DSL or another appropriate member of the senior leadership group will interview all parties involved.
- A clear and precise account of bullying incidents will be recorded by the school using its Child Protection and Online Monitoring system (CPOMS). This will include recording appropriate details regarding decisions and action taken.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents and carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies
- Appropriate sanctions and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.

- If necessary, other agencies may be consulted or involved, for example, the police if a criminal offence has been committed, or the Multi Agency Children's Hub (MACH) if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will support parents to ensure that the concern is fully investigated and responded to in line with this policy, our Online Safety Policy and the school behaviour policy. If required, the DSL will collaborate with colleagues at other settings.

  - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and school procedures.
