

LOCKWOOD PRIMARY SCHOOL

'A happy place to learn'

Newsletter – 14th October 2024

I'd just like to say a huge thank you to everyone for supporting our events to mark World Mental Health Day last week. We had a great response to our parent's Tea and Talk session, both from families and from the mental health professionals that work in this area. On Thursday the school was positively glowing with all the yellow clothing we wore to support the Young Minds charity. We were able to send off a significant donation to support their work in making sure no child ever feels alone with their mental health. The children did a lot of activities around their own mental health and ways to cope when we are not feeling at our best. Our next charity event will be for Children in Need on 15th November. On Friday, our Year 4 and 5 pupils had the opportunity to work with scientists from Boulby Underground Laboratory. The children learnt about the connection between the mine and outer space, the different science experiments undertaken in the laboratory and even got to hold a piece of 4 million-year-old meteorite!
