

# LOCKWOOD PRIMARY SCHOOL

'A happy place to learn'

## Newsletter – 18<sup>th</sup> November 2024

This week we are facing the first cold snap of the new school year. If the weather turns really bad and it is unsafe to open the school, we will post a notice of the closure on the school's Facebook page, on our website and a notification will be sent through eSchools. School closures are very rare events and we would ask parents to work on the basis that, if you haven't heard from us that the school is closed, we are open, warm and ready to welcome the children. If there is frost, ice or snow on the ground, please take extra care on the school site. Mr Power will grit a path from both pedestrian gates to the building but there will be areas of the playground that remain icy. Please make sure that your children are not throwing snowballs on the site before school, however if there is snow on the ground, we will make sure the children get to play in it so make sure they have wellies, hats and gloves on that day.

### WINTER BINGO!

This Thursday we hope you will join us for our first bingo evening of the year. Mrs Martin is raring to get behind the microphone again for a fun evening and there will be tea, coffee, juice and hotdogs for sale too. We are starting at 6.00pm and doors open at 5.30pm so get down early for the best seats!
