LOCKWOOD PRIMARY SCHOOL

'A happy place to learn'

Newsletter – 16th December 2024

We have made it to the last week of term and everyone in school is looking forward to the Christmas break. I am sure we all remember how lovely this last week was at primary school and our children will be finishing off their cards and calendars, enjoying the Christmas lunch on Wednesday and playing lots of games at their Christmas parties.

Our school council are also holding a chocolate raffle and any donations of selection boxes, chocolates or other sweets would be very welcome. The council members will be selling raffle tickets at break times this week so children are welcome to bring in some money if they wish to take part.

May I take this opportunity to say thank you to all the parents, carers, grandparents and other family members for all their support this term. Our whole school community can look back on 14 weeks of hard work, learning and fun with pride. We hope that you have a peaceful and prosperous Christmas and look forward to welcoming the pupils back on Monday 6th January 2025! Merry Christmas from everyone at Lockwood Primary School.

We had a lovely surprise on Friday when MP and friend of our school, **Luke Myer** called in just as KS2 were finishing their dress rehearsal. Luke came to announce that the winner of this Christmas card competition was a Lockwood pupil. **Eden Lewis** in year 6 could not believe it when her name was announced and she was awarded a special teddy from the House of Commons. Luke's office will send her card will be sent to over 20,000 people worldwide, including the Prime Minister! An amazing way to finish our autumn term. Well done Eden and thank you to Luke for all his support of our school this year.

Last year, our Year 5 pupils visited Teesmouth Field Centre. Following their visit, they sent some artwork to the centre as part of their annual competition and... we won! Claire for the field centre came to assembly on Wednesday to present the school with a beautiful trophy and certificate.
